Dear Families,

Our Leaders and Sports Leaders had an excellent day last Thursday at Cardiff High where they joined with Leaders from all our Cardiff Schools. They enjoyed a day where they learnt how to play games which they can bring back to our school. Miss Stilgoe said their behaviour and sportsmanship was excellent and they made new friends. This day is held in conjunction with the Premiers Sports Leadership Program.

This week will see all our staff work together over two days examining Consistent Teacher Judgement across the school. On Wednesday the primary will meet and on Thursday the infants will join together. These days are important for staff to look at how our students are achieving in all areas and what we can do to support this quality learning environment. Information gathered on these days will also help staff to write meaningful reports for your child /children.

Next Monday Miss Stilgoe will take 6 students to a debating workshop at Wiripaang Public School. I know they will enjoy this experience.

The P & C Meeting in Week 7 (1st June) is our night meeting. It will be held in the Library from 6pm. Everyone is welcome including students who can access the computer room during the meeting. The agenda will include organisation for our athletics carnival and fundraising for Term 3.

Please feel free to come and take some mulch from near the canteen, the gates are not locked on weekends. Mrs Dorahy will organise a working bee soon to spread the mulch in our gardens. There is plenty to share!

Don’t forget to label your child’s clothing and lunch boxes. We could rival Tupperware with left-over containers and bottles. The lost property can be found on the stage 3 verandah next to the Emus room.

Congratulations to all students who continue to read at home. Our 100 nights photo wall is now beginning to fill up. Well done everyone, practise makes better readers.

Have a great week I will see you all on Monday.

Regards,

Jo Swadling
